

Adam Segal - XXXI

Dirty

Get out of my face.

You always get in my way.

Make me feel like a weirdo.

You're what people look at, not me.

You're ugly. Stop drawing attention to yourself.

You're not something to be proud of.

You're all over the place.

Why do you look so bad with me,

But with others you can look perfect.

I feel mismatched with you.

You're not like me. Look at yourself.

You're sloppy, greasy, and oblong.

You're one freak of a hairdo.
